COMMUNITY INTERACTIONS

Our partnership resulted in 1,261 items stocked on the shelves at Bethel Butikk, which means Thrivent will gift Bethel Butikk \$3,000! Wow – what an incredible impact in your community!!! Dollars were also raised for R2R from cookie sales but perhaps the greatest win is the exposure each of our organizations/businesses received, which will hopefully open new doors down the road. Thank you for all of the time, effort, and energy that you dedicated to the event. Each person played an important role and we couldn't have generated such wonderful results without you! Jeanne and I truly enjoyed the opportunity to collaborate with you and if you have any suggestions or feedback, please share.
